LOCAL AND OTHER NEWS.

Description in speech to more than six quarts.

This week has been a very quiet one in business circles.

John Boyden has been visiting in Salt Lake the past week.

George E. Wilson of Park was down after real Wednesday.

George Edgington, Jr., went to Evanston Tuesday on business.

Joseph Kinnish wore a happy smile this week when the snow fell.

Deputy Sheriff Lindsey was in Park City this week on business.

The weather has been quite cold and disagreeable here this week.

A grand ball will be given at the Opera House next Friday night.

Several flags were floating on the trees Thursday in honor of Jackson Day.

Get your coal heated from Grass Creek by Thomas Chester for one dollar a ton.

Mr. and Mrs. Gauthier were up from Beta Wednesday on business and made us a pleasant call.

Attention is called to the card in this issue of P. C. Evans, attorney, who is now located in Salt Lake.

All the schools opened Monday with a good attendance, and prospects are that this season's work will be good.

The dance given at the Opera House last Saturday night was not very largely attended, but was a success socially.

Fame is like a river, that beareth up things that are light and swollen, and drowneth things that are weighty and solid.

Mrs. Bixby of Ogden was serving free meals at the Creep Wednesday and Thursday made from every kind, oat flakes.

We received this week a handsome circular from the Santa Fe Railroad agency at Salt Lake illustrating that great road.

The heavy winds which visited us for over a week brought a good snow storm Monday, but not enough to make the best of sleighing.

According to the recent report of reliable newspapers, an interstate commerce war has started. It will probably mean a 25 per cent reduction in freight rates.

Cut this out and take it to John Boyden & Son's drug store and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They also cure disorders of the stomach, kidneys and headache.

We see by yesterday's paper that Frost, Cannon and his party are expected to arrive in San Francisco from Honolulu not later than Sunday. Frost, Cliff and wife will likely reach home about the middle of next week.

Mrs. Stone, not with quite painful accident Tuesday afternoon. She had got in a sleigh for a ride when the horses started and she fell, striking her arm on the ground. She was not seriously hurt, but was quite badly shaken up.

The Morgan Mirror last week stated that the Home Dramatic Company of that place was coming up here to play "Bound for an Oak" last night and "The Girl From Kentucky" tonight. For some reason, however, no arrangements have been made for their appearance. We hope that some arrangements can be made so that the Morgan company may make an appearance. We hope that some arrangements can be made so that the Morgan company may make an appearance.

They will put on one of their plays here soon.

Preaching service at the New West Sunday evening, at seven, \$1.75.

Quite a number of teams have been in this week for coal with sleighs, but there are not enough snow to make successful sleighing.

Remember that at this office is the place to get your job work done, our prices can be made to suit anyone, and we can do all kinds of work.

Many persons representing the Consolidated Implement Company of Salt Lake, was in town this week on business connected with that firm.

J. W. Harper is the "Gold Medal winner of the world." Highest awards at Paris 1860; Chicago 1865; New Orleans 1866; Unions and Unknown, Gold by J. H. Paul, Coalville, Utah.

Two new babies came to town Monday, a boy at the home of Mr. and Mrs. Tom Farnsworth, and a girl just in her appearance at the home of Mrs. J. T. Reed. All are doing nicely.

Through the courtesy of Senator Rawlins we received this week a copy of the "Finance Report for 1890" and "New Legislation Concerning Crimes, Misdemeanors and Penalties, 1887-1890."

Timed with a weak digestive, belching, etc., etc., if you feel dull after eating, try Chamberlain's Stomach and Liver Tablets. Price, 25 cents. Samples free at John Boyden & Son's drug store.

The contest for United States Senator from Utah is now being agitated. The Legislature convenes soon and then the matter will be settled. For the question now is, "Who will be senator?"

PERLINE should be used to extract and purify the blood, it cures all forms of blood disorders, especially chronic fevers, skin eruptions, boils, pimples, blackheads, scrofula, salt rheum and every form of blood impurity; it is safe and effectual cure. Price, 40 cents John Boyden & Son.

One of the Utah Free Traveling Libraries has been placed in the New West School. The books may be drawn by anyone who desires, subject to the rules of the Library. They may be renewed at any time from 9 a. m. to 4 p. m.

The Main Messenger started out last week on its ninth year with bright prospects before it. The Messenger is a good paper and is well patronized by the people of the town and country in which it is published. Here's success to it for another year.

Many of the blisters, pimples and other afflictions of the skin are caused by the failure of the liver and kidneys to cast off impurities, which remain in the system. PERLINE will stimulate the liver and kidneys, and cleanse the system of all impurities. Price, 40 cents John Boyden & Son.

County Attorney Callie received a letter on Wednesday from Judge S. W. Stewart, stating that he would be here next Tuesday to hold a trial session of the District Court. Civil and criminal cases will be set for trial, probate matters attended to and a jury drawn for the February term of court.

Last Sunday morning the barn and chicken house belonging to J. H. Allgood caught fire and was burned to the ground. A quantity of chickens were consumed by the flames. Just how the fire started is not known, but it is supposed that it originated by dumping ashes in close to the building.

Wednesday was E. H. Rouse's fifth birthday, and that evening about fifty of his relatives and friends gathered at his home in honor of the event. An excellent supper was served, and the remainder of the evening was spent in singing songs, playing games, social chat, etc. Everybody present had a good time and when parting wished Mr. Rouse many happy returns of the day.

At a town in one of the western provinces of Canada some private theatres were recently being "got up." During one of the acts some ladies had to go through a drill. Writing to do it properly and according to regulations, they presented a sergeant from a troupe never in the neighborhood to teach them. This worthy son of the Breton nation, of driving them, commented: "Now, ladies, please stand properly to Attention," etc., together and in line, then turn to the right and then the Morgan turned him at an angle of forty-five de-

Quality

Never experiment
with so important
an article
as the human food

It is the high quality of Royal Baking Powder that has established its great and world-wide reputation.

Every housewife knows she can rely upon it; that it makes the bread and biscuit more delicious and wholesome—always the finest that can be baked.

It is economy and every way better to use the Royal, whose work is always certain, never experimental.

There are many imitation baking powders, made from alum. They may cost less per pound, but their use is at the cost of health.

ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

gross, knew straight or wrong "hanging easily from the tree by the side open thumb in the front, and lightly touching the summit of the parts." This ended the drill for today.

Honor M. Wells' inauguration for a second term as Governor of Utah was held in Salt Lake Sunday. It was a grand affair. Odeons and bladders also inaugurated new owners.

A few of the old friends of John Stone gathered at his home Tuesday night and celebrated his 60th birthday.

A good supper was served, songs were sung, and a good rollicking time had by all present.

Whosoever has suffered from piles knows how painful trouble they are. TABLET & STICKY PILE OINTMENT is guaranteed incomparable. Price, 50 cents in bottles. Tales, 75 cents. John Boyden & Son.

Mrs. E. M. Stinson, of Weber canyon introducing the Royal Silver Metal Plating, is traveling through the country visiting stores for her work. She has increased the money, and has considerable work which will be delivered the latter part of January. Old worn out tailoring articles are good as new, and there are many, and the work is guaranteed trouble-free for ten years.

A little boy, one of the most obstinate parents wanted a bicycle and kept the master constantly before the consciousness of the family purchasing agent. His mother told him to pray for the desired gift, and that night a person was sent up the most perverse of children's coats. While the little fellow slept a person was smuggled into his room and placed beside his bed. In the morning the father and mother were surprised while sleeping to learn his
